Grade B & A

Position Base B Plate A

Umpire: David Everett

B Grade:

Force play to 2nd you made a safe call and had to change it, Just be more aware of what the situation is.

A Grade:

Strike 3 on batter, dropped third strike, no call made. Need to make a call.

Your plate calls need to be a little faster, I could see pitches wondering what you were going to call. Get your timing better , this will fix that.

See the ball in glove, make a call.

Good job overall.
